

DonahueStudiosPhotographs.com 4001 Oilwell

These images are made from the original 8" x 10" negative with excellent sharpness and tonal quality.

They are from the Donahue Studios archives and have not seen the light of day in over fifty years and probably longer.

They appear to be 1920's.

Frames are Brown/Mahogany finished and measure 18 1/4" x 22 1/4".

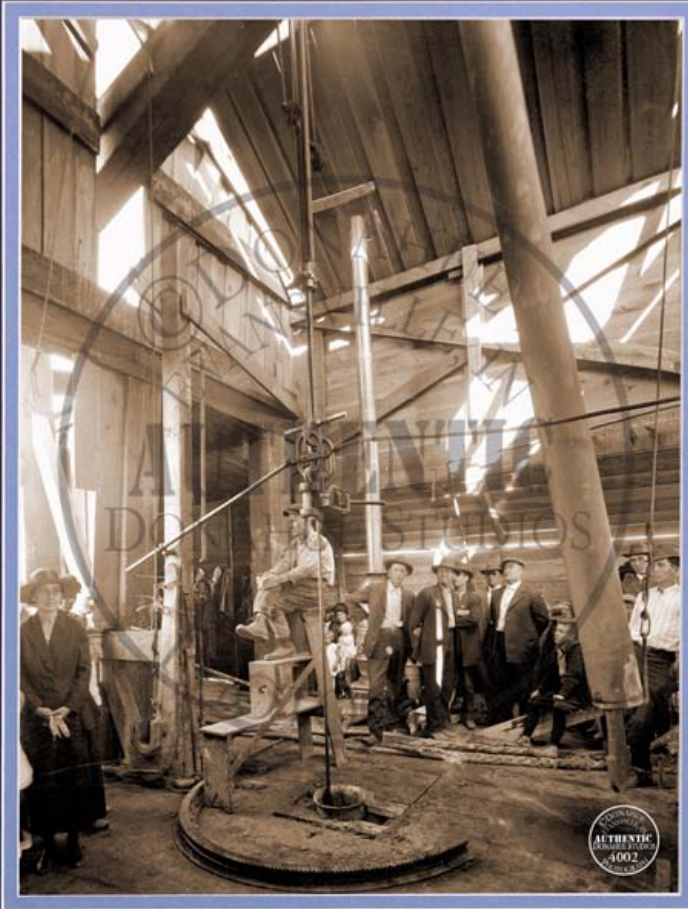

Double matted with glass.

Larger sizes are available.

These vintage prints are priced at \$165.00 each or \$310 for the pair.

Rare, Vintage Oil Field Photographs
